NAZI FLAG RIPPED, TWO U. S. SAILORS HELD

Willkie Arranges to See President Before Leaving for London

Late News Bulletins

Italians Preparing for Big Push, Say Greeks

ON THE YUGOSLAV-ALBANIAN FRONTIER (AP).-Greek sources reported today the Italians are bringing up strong reinforcements on all sectors of the Albanian front, including large numbers of Italian planes relieved from Mediterranean service by the Germans. A concentrated Italian air attack apparently is imminent, these sources said. (Earlier Story on Page A-1.)

Thai Advance Reported Stemmed

SAIGON, French Indo-China (P).-The French Indo-China government announced today it had stemmed the Thai (Siamese) advance in Western Cambodia by throwing back a complete battalion of 750 troops who have been advancing along the road to Sisophon. On the fronts to the north the Thai invaders shelled Savannenakhet and bombed Pakse from the air. Earlier 1,000 Thai troops were reported repulsed west of Pakse.

(Earlier Story on Page A-4.)

Subcommittee Approves Funds for 200 Ships

A House appropriations subcommittee quickly approved today President Roosevelt's request for \$313,500,000 for construction of 200 new cargo ships. The subcommittee acted after hearing Chairman Emory S. Land of the Maritime Commission describe the availability of cargo ships as one of the most vital needs of this country's defense program.

Convoy Successfully Attacked, Say Germans

BERLIN (A).-German planes successfully attacked a convoy and two British airports today and repeatedly bombed London, informed sources said tonight. Pilots returning from an air attack last night on Swansea said the whole southern section of the South Wales port was lighted by fires. A 4,000-ton merchantman in a convoy off the mouth of the Thames was said to have suffered a direct hit and was believed a total loss.

Thomson and Cooper in Semifinals

SAN FRANCISCO (P).-Jimmy Thomson of Chicopee, Mass., stroked his way to a 3-to-1 victory over Fred Wood, Vancouver (British Columbia) star, to earn a semifinal berth in the San Francisco national match-play open today. Harry Cooper, Chicago professional, joined Thomson with a 1-up victory over young Chick Harbert of Battle Creek, Mich. Thomson and Cooper tangled in a semifinal match this

Italian Planes Appear Over Nile Valley

CAIRO (A).-Italian airplanes visited the Nile Valley last night for the first time since the British desert offensive began early in December. They bombed a canal, but there was no casualties and the damage was described as insignificant. Alexandria also was raided. There were no casualties and no damage, a communique said.

Truckers Die in 100-Foot Plunge

WILLIAMSON, W. Va. (P).-Moses Lowe, 22, and his brother-in-law, Craft Maynard, 26, both of Heenon, Pike County, Ky., plunged 100 feet to their deaths on the Norfolk & Western Railroad tracks today after their truck, loaded with logs, crashed through a guard railing.

G. O. P. Leader Knudsen Sees U. S. in War if **Britain Falls**

Backs New Aid Bill In 2-Hour Talk to **House Committee**

FINAL BULLETIN. NEW YORK, Jan. 18 (AP) .-Joseph P. Kennedy, retiring Ambassador to Great Britain, said today he would appear Tuesday before the House Foreign Affairs Committee hearing on the lendlease bill. His secretary said the diplomat expected to appear before the committee about 10 a.m.

(Earlier Story on Page A-1.) By J. A. O'LEARY.

The fall of Great Britain would result in American involvement in war, William S. Knudsen, director of the Office of Production Management, said today in answer to questions by House Foreign Affairs Committee members on the administration's bill to strengthen this country's defense by aiding England.

After Mr. Knudsen had explained for two hours the advantages of the pending measure in speeding up the defense program, the committee recessed until Tuesday morning, when Representative Fish, Republican, of could regain control of the Ameri- New York, leader of the opposition, He said he is awaiting a reply to

to Great Britain, to appear at 10 m. Tuesday.
Representative Arnold, Democrat. In Speedup Drive the Women's National Republican of Illinois asked Mr. Knudsen if he

that he wished to give his views on of testimony was that the diswhat the party "should do so that cretionary powers given the Presiit can regain control of this Govern- dent in the bill will speed up the ment and restore the American way building of defense articles here. both for the United States and Great Britain. His testimony also brought out

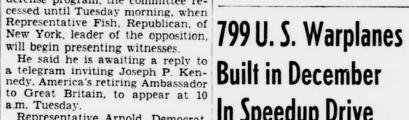

that while it would be near the end of 1941 before much new equipment could be produced for England the bill is broad enough to permit transfer of existing defense articles. Chairman Bloom announced at noon that Wendell L. Willkie, Republican presidential nominee in 1940, will not be able to testify, as expected, because of his plans to fly to England early next week. The announcement brought a demand from Representative Tinkham, Republican, of Massachusetts that he be subpoenaed, but there were no indications this course would be fol-

After adjournment, Mr. Tinkham told newspaper men his reason for wanting Mr. Willkie to appear was to inquire "as to his competency and (See LEASE-LEND, Page 2-X.)
